

§ 609.9

10 CFR Ch. II (1–1–16 Edition)

potentially including a preliminary credit rating or credit assessment, and information obtained as the result of meeting with the Applicant and the Eligible Lender or other Holder, may offer to an Applicant and the Eligible Lender or other Holder detailed terms and conditions that must be met, including terms and conditions that must be met by the Applicant and the Eligible Lender or other Holder.

(b) The terms and conditions required by DOE will be expressed in a written Term Sheet signed by a Contracting Officer and addressed to the Applicant and the Eligible Lender or other Holder, where appropriate. The Term Sheet will request that the Project Sponsor and the Eligible Lender or other Holder express agreement with the terms and conditions contained in the Term Sheet by signing the Term Sheet in the designated place. Each person signing the Term Sheet must be a duly authorized official or officer of the Applicant and Eligible Lender or other Holder. The Term Sheet will include an expiration date on which the terms offered will expire unless the Contracting Officer agrees in writing to extend the expiration date.

(c) The Applicant and/or the Eligible Lender or other Holder may respond to the Term Sheet offer in writing or may request discussions or meetings on the terms and conditions contained in the Term Sheet, including requests for clarifications or revisions. When DOE, the Applicant, and the Eligible Lender or other Holder agree on all of the final terms and conditions and all parties sign the Term Sheet, the Term Sheet becomes a Conditional Commitment. When and if all of the terms and conditions specified in the Conditional Commitment have been met, DOE and the Applicant may enter into a Loan Guarantee Agreement.

(d) DOE's obligations under each Conditional Commitment are conditional upon statutory authority having been provided in advance of the execution of the Loan Guarantee Agreement sufficient under FCRA and Title XVII for DOE to execute the Loan Guarantee Agreement, and payment in full of the Credit Subsidy Cost for the loan guarantee that is the subject of the Condi-

tional Commitment from one of the following:

(1) A Congressional appropriation of funds;

(2) A payment from the Borrower deposited into the Treasury; or

(3) A combination of one or more appropriations under paragraph (d)(1) and one or more payments from the Borrower under paragraph (d)(2) of this section.

(e) The Applicant is required to pay fees to DOE to cover the Administrative Cost of Issuing a Loan Guarantee for the period of the Term Sheet through the closing of the Loan Guarantee Agreement (Second Fee).

§ 609.9 Closing on the Loan Guarantee Agreement.

(a) Subsequent to entering into a Conditional Commitment with an Applicant, DOE, after consultation with the Applicant, will set a closing date for execution of a Loan Guarantee Agreement.

(b) By the closing date, the Applicant and the Eligible Lender or other Holder must have satisfied all of the detailed terms and conditions contained in the Conditional Commitment and other related documents and all other contractual, statutory, and regulatory requirements. If the Applicant and the Eligible Lender or other Holder has not satisfied all such terms and conditions by the closing date, the Secretary may, in his/her sole discretion, set a new closing date or terminate the Conditional Commitment.

(c) In order to enter into a Loan Guarantee Agreement at closing:

(1) DOE must have received authority in an appropriations act for the loan guarantee; and

(2) All other applicable statutory, regulatory, or other requirements must be fulfilled.

(d) Prior to, or on, the closing date, DOE will ensure that:

(1) Pursuant to section 1702(b) of the Act, DOE has received payment in full of the Credit Subsidy Cost of the loan guarantee from one of the following:

(i) A Congressional appropriation of funds;

§ 609.10

(ii) A payment from the Borrower deposited into the Treasury; or

(iii) A combination of one or more appropriations under paragraph (d)(1)(i) and one or more payments from the Borrower under paragraph (d)(1)(ii) of this section.

(2) Pursuant to section 1702(h) of the Act, DOE has received from the Borrower the First and Second Fees and, if applicable, the Third fee, or portions thereof, for the Administrative Cost of Issuing the Loan Guarantee, as specified in the Loan Guarantee Agreement;

(3) OMB has reviewed and approved DOE's calculation of the Credit Subsidy Cost of the loan guarantee;

(4) The Department of the Treasury has been consulted as to the terms and conditions of the Loan Guarantee Agreement;

(5) The Loan Guarantee Agreement and related documents contain all terms and conditions DOE deems reasonable and necessary to protect the interest of the United States; and

(6) All conditions precedent specified in the Conditional Commitment are either satisfied or waived by a Contracting Officer and all other applicable contractual, statutory, and regulatory requirements are satisfied.

(e) Not later than the period approved in writing by the Contracting Officer, which may not be less than 30 days prior to the closing date, the Applicant must provide in writing updated project financing information if the terms and conditions of the financing arrangements changed between execution of the Conditional Commitment and that date. The Conditional Commitment must be updated to reflect the revised terms and conditions.

(f) Where the total Project Costs for an Eligible Project are projected to exceed \$25 million, the Applicant must provide a credit rating from a nationally recognized rating agency reflecting the revised Conditional Commitment for the project without a Federal guarantee. Where total Project Costs are projected to be \$25 million or less than \$25 million, the Secretary may, on a case-by-case basis, require a credit rating. If a rating is required, an updated rating must be provided to the Secretary not later than 30 days prior to closing.

(g) Changes in the terms and conditions of the financing arrangements will affect the Credit Subsidy Cost for the Loan Guarantee Agreement. DOE may postpone the expected closing date pursuant to any changes submitted under paragraph (e) and (f) of this section. In addition, DOE may choose to terminate the Conditional Commitment.

(d) Prior to the execution by DOE of a Loan Guarantee Agreement, DOE must ensure that the following requirements and conditions are satisfied:

(1) The project qualifies as an Eligible Project under the Act and is not a research, development, or demonstration project or a project that employs Commercial Technologies in service in the United States;

(2) The project will be constructed and operated in the United States, the employment of the new or significantly improved technology in the project has the potential to be replicated in other commercial projects in the United States, and this technology is or is likely to be available in the United States for further commercial application;
